Craft a special talk

Prepare for a TEDx
Talk audition

Deliver a compelling
report to the Board of
Directors

Inspire your audience
for a lasting impact

“

Lynda Paulson gives strength to the weak-kneed speaker by inspiring confidence which all but guarantees successful presentations. Her techniques work! I am still singing your praises and am grateful for your Executive Speaking Experience.

”

William C. Finlayson, President
& CEO, O'Conner Hospital,
San Jose, CA

Learn how the pros prepare for a major keynote address or talk

You've learned the basics. Given a few speeches that left you feeling exhilarated. But now it's time to raise the bar. You may be a seasoned speaker, but are your talks as dynamic, inspirational and in-demand as you wish?

It takes exceptional skill to position yourself above the mass of speakers delivering serviceable but unmemorable speeches. To advance your speeches to new heights, learn how the professionals prepare for major keynote speeches in this intensive, one-day advanced training class. Practice new skills, gain valuable feedback, and nail down ways to craft memorable speeches.

WHO SHOULD ATTEND?

- Those preparing for major keynote speeches or auditions
- TEDx Talk candidates
- Political hopefuls
- Inspirational coaches, CEOs, CFOs and CMOs
- Graduates of *Executive Speaking Experience*

EXECUTIVE TRAINER

Lynda Paulson, Public Speaking Coach and Sales Trainer, has been an executive speech coach for more than thirty years with Success Strategies, Inc., renowned for teaching public speaking and communication skills to professionals from over 600 wineries and businesses in the U.S. and Europe. Her coaching techniques have been crafted over decades working with local clients such as the Cakebreads, the Mondavis, the Trincheros, the Martinis, the Wentes and management teams at hundreds of local companies. She has also taught public speaking at AT&T, American Express, Disney Corporation, Kodak, ING, IBM and many more throughout California, Oregon, Washington, New York, Canada and Europe.

Lynda Paulson

“Favorable attention is critical to winning new business. If the first impression is poor, you often never recover the opportunity. My teaching style is focused on positive, constructive instruction. This allows participants to stretch their creative muscles and gain critical insights for success by learning in a safe and supportive environment,” stated Paulson. “It’s also essential to keep it fun,” she added with a wink.
